CASE NO. 2:16-cv-00235-JAK-JEM

Hon. John A. Kronstadt

STATUS REPORT

1 The undersigned counsel submit this joint report pursuant to the Court's June
 2 29, 2017 Order on Plaintiffs' Motion for Preliminary Approval of Proposed Class
 3 Action Settlement to state "their . . . collective positions as to whether further efforts
 4 will be made to address the issues raised" in the Order in this case and in the related
 5 case *Gilsleider v. EOS Products, LLC*, Case No. 8:16-cv-00283-JAK-JEM. See
 6 ECF No. 42.

7 The parties appreciate the Court's thorough analysis of the proposed class
 8 settlement and guidance with respect to the issues to be addressed in any revised
 9 settlement and approval papers. The parties are committed to exploring refinements
 10 to the proposed agreement and to providing further supporting materials that will
 11 address certain concerns raised by the Court.

12 To that end, the parties have agreed to conduct a further mediation session on
 13 August 11, 2017 with Judge Peter Lichtman, who mediated this action in the first
 14 instance, to assist the parties in discussing mutually-agreeable alterations to the
 15 proposed settlement.

16 The parties propose providing a further joint report to update the Court on the
 17 progress of those discussions on or before August 25, 2017, and request that the
 18 Court continue the status conference set for July 24, 2017 at 1:30 p.m. The parties
 19 expect to advise the Court on or before August 25, 2017 if they intend to present a
 20 revised settlement for approval, or to propose a schedule to resume the litigation.

21 Respectfully submitted,
